

Community and Business Leaders Sleepout

EVICTIION NOTICE

As a leader in our community – you are hereby notified that:

From 9pm Friday 18th March 2005

To dawn on Saturday 19th March 2005

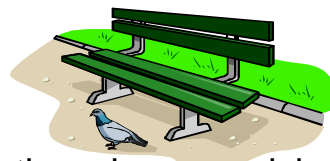

YOU

(or your nominated representative)

Will be required to vacate your normal place of residence. You will spend this night as a needy person in a secret location, suitable for community and business leaders “doing it tough”.

We will provide sufficient sustenance to ensure you survive the night, and early morning, together with ample security.

You will be warmed by the knowledge that sponsorship of your “hardship” will help Lifeline Gippsland respond to people in crisis in the Gippsland community.

Conditions:

You are restricted to blankets and newspapers for warmth and a groundsheet (if you must have one). Additional items are allowed for medical reasons.

Because your community regard you as a “Champion” we hope that you will encourage them to support you via a tax deductible donation (competitive sponsorships are encouraged!!).

A completed registration form (available from Lifeline) will entitle you to further information.
